

## MARKERSNET TERMINATION & DATA RETENTION POLICY

### Termination Policy

Accounts suspended for more than **30 days** due to non-payment may be permanently terminated at the sole discretion of MarkersNet.

Upon termination:

- Website files, hosting services, and account access may be permanently disabled.
- Domains not renewed or paid for may be released.
- MarkersNet reserves the right to list the associated domain name and/or website assets for sale, including public listing or resale, unless otherwise prohibited by a separate written agreement.

MarkersNet is not responsible for loss of traffic, branding, business interruption, or reputation impact resulting from account termination due to non-payment. Any domain name, website, or digital asset associated with a terminated account may be retained, resold, or repurposed by MarkersNet if renewal fees are not paid and contractual obligations are not met.

### Data Retention

Data retained for 30 days unless otherwise stated.

After retention period, files may be permanently deleted.

### Reactivation Requirements

Full balance payment required.

Reconnection and renewal fees may apply.
